The NMMI Alumni E-Newsletter

Colonel Armijo:

Hello NMMI Alumni and welcome from "the Old Post"! Our August 2017 Alumni Teleconference call was held on Thursday, 17 August. For those of you who joined us, thank you. If you missed the call and would like to listen to the recorded call, simply call (605) 475-4099 and use access code 416844. The recording will be available until our next NMMI Alumni Conference call, schedule for October 17, 2017 at 6pm "Old Post Time".

The General's Cup Golf Tournament is coming up 22-24 September, so make sure you get signed up! If you aren't able to play, we are also looking for sponsors. The General's Cup endowment currently has about \$250,000 and \$53,000 is being given to NMMI admissions to use for recruitment.

Homecoming registration is open! Sign up at <http://www.nmmi.edu/alumni/homecoming.htm>. Our honorees are classes ending in "7", but all classes are welcome! Our Love Feast one Friday night of this year will be formal. Our theme is Masked Formal Ball.

In November, we will be having our Fall Legacy Dinner. Cadets who qualify have Alumni parents, grandparents and great grandparents. 1 November 2017 at 1730. All parents will be invited, but if you are not a parent and would like an invitation, please call Karen at 575-624-8251 and we will add you to the list.

Our 2nd Annual NMMI Alumni Motorcycle Rally will be 17-20 May 2018. We will keep you posted on the details!

The September 2017 Alumni Conference call was held on 12 September.

General Grizzle spoke on admissions, we are still without a director, but are close to hiring.

All of the cadets have still not arrived. We have 15 less cadets than last year, down 2.9%. ENMU-Roswell is down 9%. NMSU is down 13.8%, UNM is down 5.5% and State is down 9%. There were

about 40 students that didn't show because of financial issues. At this time we have 860 cadets, five years ago we had 905. We are still at a 95% occupancy rate.

The Wall Street Journal this week ran a story about how American are losing faith in college education. Veterans and Veterans dependents qualify for in-state rate.

Some private schools are now offering the same rate for domestic and international. We find this concept interesting. Because of the devaluation of the peso, there are some cadets from Mexico that we lost. The majority of cadets that we get from Mexico come from the wealthy upper-class. The number of Preps and ROTC cadets is out of our control. We are number one for the Merchant Marine Academy who accept only 7 cadets. NMMI received four and three went to Marion.

General Grizzle explained that these are not excuses, only explanations. We are in good shape moneywise with 22 million in land grants. Cadets are performing great in leadership and academics. There are Preps paying their own way, hoping for an appointment. Athletics are struggling this year so far. We hope to overcome the losses and show strength going forward. Broncos Volleyball is 3-1 with

hopes for the National Conference. On November 5th in the Texas Stadium, the NMMI Color Guard will perform with Roger Staubach 1962 JC at the Dallas Cowboys Game. A full page add titled "On the Shoulder of Giants" featuring NMMI is on page 283 of the Dallas Cowboys Blue Book. Danny spoke on the final date of the 2017 Trail Ride. We will be going to Quemado, NM, for the 29th Annual NMMI Alumni Trail Ride with the Easterlings. We will have a different location than the previous camp at El Caso. We believe the new location will be great for our attendees. We will keep you posted. Save the date for 12-15 June 2018. The 30th Annual Trail Ride will be held at the Davis Ranch in Angel Fire in 2019. The location for the 2020 ride have not yet been determined.

We just returned from Chicago where we gathered with 21 attendees. Stan Jolton 1948 JC, our oldest alumnus in attendance was there with his girlfriend and told us that the last time he remembers an alumni gathering in his area was in the sixties. We asked each of the alumni to introduce and tell the group a little about themselves. What the school did for them and where their passion for the school comes from. It was a really good meet and greet. NMMI Alumnus, W. Rudd Marlowe 1967 HS-1969 JC, is planning to host a gathering for the NMMI Broncos vs. Tyler, TX, game on 21 October. IWatch for details coming up!

General's Cup Annual Golf Tournament is filled! We currently have 77 teams, which is more than we planned. All of the money raised by the General's Cup Tournament goes directly to the Corps of Cadets. If you would like to be a sponsor donor, you can call Kris Ward at 575-624-8158. Homecoming is almost here!

October 26-28. We already have over 170 alumni registered. A lot of the classes have stayed in touch since they left. It promises to be the best ever! The Alumni Luncheon and Hall of Fame Ceremony, the Alumni Love Feast and the Honored Class Dinners (with the exception of class of 1977) will be held at the Roswell Civic Center. See the schedule in this publication. The Alumni Love Feast this year will be a formal dinner and dance. The theme is "Masquerade Ball". It is not a costumed event, but we will have masks for each of you and there will be a photo booth with props. There is no cost for the photo booth.

Alumnus Boyd West 1968 JC, from Oklahoma City would like to have a gathering. If you live in or around the Oklahoma City area, please call and let us know if you would be interested in attending a gathering there. We are still planning with Lee Jones 1968 JC in Houston to set a date for a gathering there. There is a long-time chapter in Houston that gather about every quarter now. If you would like more information on the Houston chapter, please call our office.

After the first of the year, we will be traveling to New York, New Jersey, Washington, DC, and the Merchant Marine Academy. We will also plan to meet in the Denver area, across Texas, California and more.

We currently have over 200 names for the Silver Taps Ceremony this year. We recently lost Harold B. "Skip" Palmer 1965 JC, former regimental commander NMMI Hall of Fame inductee and strong supporter of the school. The family plans a ceremony at Arlington in the near future. He will be

missed.

The summer 2017 Edition of the *Sally Port* magazine should be hitting your doorstep any day. We would like to ask you to send your stories of what you and your classmates have been up to since leaving NMMI.

The NMMI Regents met on 6 September 2017 and adopted a code of conduct and social media conduct regarding the acceptable behavior of visitors and participants of NMMI on post. There is a link to those in this publication. Please help to spread the word!

If you missed the call and would like to listen to the recorded call, simply call (605) 475-4099 and use access code 416844. The recording will be available until our next NMMI Alumni Conference call, schedule for October 17, 2017 at 6pm "Old Post" time".

Our August NMMI Alumni Conference Call was held on 17 August.

Our guest was MAJ Chance Mace, USAR, NMMI Director of Cadet Counseling and Chaplain.

General Grizzle started off with the numbers so far for cadets matriculated. NMMI was expecting 915, but so far we have 865 cadets. There are a number of cadets still not here, including ECP cadets. Again this year we have cadets from many countries, although the number from Mexico is down for a couple of reasons, the devaluation of the peso and the possibility of a wall being built between the US and Mexico. We have less Falcon Foundation cadets and 35 Coast Guard cadets, down from last year.

NMMI Bronco Football had their 1st scrimmage and their

first game in will be 2 September in Miami, Oklahoma. On Sunday, 5 November, the NMMI Color Guard will be performing in Texas at the Dallas Cowboys game at half-time. This will have them on the schedule for the entire season.

The makeup of the corps is about 50/50 high school and junior college cadets.

ON THE SHOULDERS OF GIANTS

Danny announced that the 2018 Trail Ride will be held near Quemado, NM. We have held it at the El Caso Peak site in the past, but next year will be a different location. We will keep you posted.

Randy Davis 1976 HS has offered the CS Ranch in Angel Fire for the 2019 "30th Anniversary" Trail Ride.

We are heading to Chicago, thanks to Al Gardner 1986 HS. Al has worked hard to set up the "Celtic Knot" a genuine Irish pub. It will be on 9 September. Please call our office if you would like more information.

The Annual Generals Cup Golf Tournament is coming up on 22-24 September. Support is going well, with 59 out of 64 teams already signed up.

The proceeds for the Generals Cup go directly to the cadets for scholarships.

Homecoming 2017 is just around the corner. Close to 100 alumni and numerous guest have registered! It promises to be a great event! Upcoming areas for Alumni meet and greets will be Houston, Milwaukee and Las Vegas.

The 2018, 2nd Annual Motorcycle Rally will be held 17-20 May. Our first ride was a huge success! We hope to see you at the next ride! We are in the process of preparing a DVD that will have photos and a video of the participants riding through the Sally

Port!

Chaplain Mace talked about his background. He is currently in the Army Reserves. In addition to that he has worked as a missionary. He has been married for 25 years to Virginia and they have three daughters, ranging in age from 18-22.

He preaches the Protestant service and coordinates with a Catholic Priest for the Catholic Services every Sunday. He also works with the Choir. He is very excited about the Cadet Chaplain program. NMMI currently has four cadets pastoring with another three who are interested. It is hoped that one can be found in each troop.

Services are provided for all religions at NMMI. Chaplain Mace works closely with local churches to get cadets to services for Jewish, Latter Day Saints, Seventh Day Adventists and others. The Navajo will be having a religious ceremony that centers around the Solar Eclipse on the 21st, believed to bring renewal to the members.

Counseling for Cadets falls into many categories. While at NMMI, they encounter problems such as homesick, death and divorce. Sometimes they just need advice and someone to talk to. The NMMI Chapel is currently in the process of having the Stained Glass wall redone. It is expected to be completed in September. The Chapel is rented for many events, including weddings and memorials. He feels that it is one of the most beautiful chapels in Roswell.

Darrell Hovland 1983 JC mentioned that there are about 20 alumni in northern Missouri who will gather for the solar eclipse. He also mentioned that he hopes to gather some alumni during homecoming to visit Captain Lea's grave at South Park Cemetery.

Do you have a brick in the NMMI Alumni Plaza? Each of the twelve rays of the Zia in the Plaza represent a troop. The price for a brick is now \$50. You can put three lines of twenty characters each. If you would like to buy a brick, [click here](#) or call our office and put in your order. 575-624-8250.

2017 General's Cup Golf Tournament

to Contribute*

Friends and Supporters of NMMI, last year's General's Cup was a monumental success! My hopes are to continue the tradition in the years to come. In past tournaments we have created an Endowment of approximately \$270,000. The General's Cup provides scholarships for more cadets to fulfill their education at NMMI. tournament will be fun-filled for all, but it does have a serious side -- all proceeds, less expenses, will go into the NMMI General Scholarship Fund to provide unrestricted scholarships to benefit cadets, old and new, who, without our help, would be unable to have their own NMMI Experience!

Why are these unrestricted scholarships so important? I'm hard pressed when I'm travelling or at some function and I meet that young person, that #1 Draft Choice, who wants to attend NMMI, and we want him or her to attend NMMI, and I've got nothing to offer but telling the young person to apply and we do have scholarships available. I need to be able to shock the system and tell that young person, "We want you, and here's a scholarship that shows we mean business!" In the Army we called that type of thing an "impact award" -- and it delivers an impact!"

We cannot plan and deliver an event of this stature ourselves, which is why we need you! If you are interested in being one of this year's sponsors, please contact Kris Ward, Development and Advancement Officer, 575-624-8158 or Crae Fields, Tournament Director and Head Professional, NMMI Golf Course, 575-624-8240, or fill out the Sponsor Registration Form. Remember, the Tournament is limited to the first 204 players!

We accept sponsors based on the order we receive your payment and commitment, so please do not delay - you know they go fast! It's always a GREAT weekend of golf and fellowship for sponsors and players -- and the young men and women who benefit from your support.

I'll be looking for you on the first tee!

WHAT A CELEBRATION!

As the fiscal year comes to a close, we have reason to celebrate one of the most successful annual campaigns in recent memory. All of this could not be accomplished without the overwhelming support shown by our alumni, patrons, family and friends. As I hope many of you will remember, we started off the 2016-2017 school year celebrating the 125th anniversary of NMML. In conjunction with this we wanted to focus our annual fundraising efforts on exceeding contributions in previous years, while also establishing a new endowment that will benefit cadets forever.

The goal was to try and obtain 1,000 donations in \$125 increments; although we fell short at 626 donations received, the monies generated have indeed surpassed what is needed to create this endowment. The "125" program was intended to use one-third of the monies generated to create the endowment and two-thirds would go towards the Annual Fund that benefits cadets through incentive scholarships and cadet activities. Approximate early numbers indicate that the "125" program will exceed \$78,000, of that roughly \$26,000 will be used to create the Squad Leader Endowment that will provide scholarships based on recommendation from the Commandant and staff.

The Squad Leader Endowment will provide scholarship funds to cadets who have such a great impact and influence on the Corps of Cadets; a position that sometimes is overlooked but never forgotten. The criteria to receive this scholarship will be set by the Commandant's Staff with the hopes of providing at least one \$1,000 scholarship to the best squad leader in the Corps (eligible cadets must meet the minimum criteria set by the Scholarship Committee).

As you can see we have met this goal and starting in 2018-2019 the Commandant will have this funding available. We can't begin to thank you all enough for your support of NMML and the Corps of Cadets. We look forward to seeing you at an upcoming NMML event.

Ways to Give

- **Bequest** — a provision in a will or estate plan that allocates all or part of the individual's estate to NMMI.
- **Charitable Remainder Trust** — an irrevocable trust that pays a specified annual amount to one or more people for a fixed period of years (often the life of the individual). At the end of the term of the trust, the remaining trust assets are distributed to NMMI. A charitable remainder annuity trust provides a fixed payment; a charitable remainder uni-trust pays out a fixed percentage of the trust value each year.
- **Charitable Lead Trust** — Similar to a charitable remainder trust, but the principal reverts to the donor or his or her designated heirs at the end of the trust term. If the principal reverts to the donor, he or she gets a charitable income tax deduction; if an heir, that person gets a charitable gift tax deduction.
- **Charitable Gift Annuity** — an irrevocable transfer of property (e.g. securities) in exchange for a contract to pay the donor an annuity for life. Because the value of the property exceeds the value of the annuity, it is partially a gift to the institution.
- **Life Insurance** — an arrangement in which a donor gives a life insurance policy to NMMI. The cash value of that gift is tax deductible, as are any future premiums the donor may opt to pay on that policy. Note that only life insurance policies that are paid in full qualify as planned gifts. (needs a not regarding proper way of doing this.)
- **Life Estate** — an arrangement in which a donor gives his/her home to NMMI while retaining the right to live there for the remainder of his/her life. The donor receives an immediate income tax deduction. NMMI may sell the property upon the donor's death.
- **Pooled Income Fund** — an arrangement, similar to a mutual fund, in which a donor contributes to a fund and receives a share of the proceeds based on the percentage of his contribution. Donors pay no capital gains on the transfer of appreciated property. When the donor dies, his shares transfer to NMMI.
- **Endowments** — A fund created by your bequest can carry your name or the name of a family member or other person you wish to honor. Named funds, because of the support they offer to programs and people, are a way to share what is meaningful to you within the institute family well into the future. *Note that minimum gift amounts required for creating named, endowed funds vary, so please contact the NMMI Foundation for further information.*
- **Unrestricted Gifts** - are among the most valuable to NMMI, because they allow the institute to allocate funds wherever the need is greatest, and to take advantage of unique opportunities as they arise. Your unrestricted contribution may be used to support costs associated with financial aid, educator development, cadet equipment, facilities, and much more.
- **Matching Gifts** - An easy way to double or even triple your donation to NMMI is to find out if your company has a matching-gift program. Such programs typically match all or a percentage of employee contributions to charitable organizations, making the employer a partner in employees' personal philanthropy. Simply obtain a matching-gift form from your employer's personnel office, fill it out, and provide it to NMMI with your contribution.
- **Non-Traditional** — Boats, cars, land, jewelry, paintings etc..

Call Kris Ward at 575-624-8158 or email to wardk@nmmi.edu or go to [Support NMMI](#) to contribute.

SUBJECT: Policy Regarding Visitors to NMMI and Social Media Standards

The New Mexico Military Institute (NMMI) community is made up of a network of people, including alumni, parents, staff, Regents and friends, with a common interest in NMMI. It is of utmost importance to NMMI that every person visiting the campus or attending an event sponsored by or connected to NMMI has a positive and rewarding experience. NMMI invites all alumni, parents, sponsors, volunteers, attendees, vendors and visitors ("Participants") to help us realize a safe, respectful and positive experience for everyone. When you visit the campus or participate in an event, you are contributing to the overall experience, which makes us all accountable to each other.

The Board of Regents of NMMI has established a Visitor Code of Conduct in its Operations & Procedures Policy Manual that applies to all Participants. This summary is designed to ensure that all Participants understand what behavior is expected and what behavior will not be tolerated. NMMI expects all Participants to abide by the Operations & Procedures Policy Manual while on campus or at any NMMI event. This includes NMMI-related social events at off-site locations and in related online communities and social media.

Attached you will find two recently approved BOR policies regarding visitors to NMMI's campus as well as BOR policy for use of NMMI-centric social media. Please review them carefully. If you have any questions about these policies, please email me at TPAUL@NMMI.edu.
