THE ASSOCIATION

Office of YOUR Alumni Association

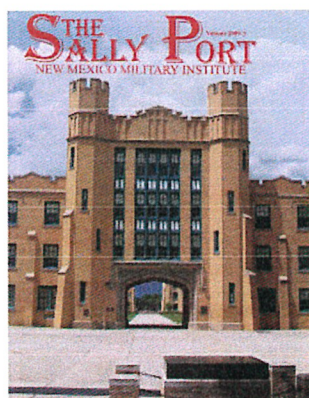

Many positive things are happening in YOUR Alumni Association. My first five months have been filled with Homecoming 2012, Semester Graduation and now headed toward May Graduation followed by 2013 Trail Ride at El Caso Ranch, Quemado, NM. The last three days have been devoted to awarding scholarships for the 2013-2014 school year. If you are interested in starting a scholarship or adding to an existing scholarship, there is always a need. Did you know that if you are an Alumnus and have a child attending or planning to attend NMMI your child qualifies for the Alumni Heritage Tradition Scholarship for \$500? Call us to make sure you are a Life Member or an Annual Member of your Association.

The Association's main objective for 2013 is to focus on "friend raising". We need your help to connect and/or re-connect with the Alumni who are not active/current with the Association. Each of us know at least 5-10 classmates we have stayed in contact with since leaving NMMI. Please reach out to them

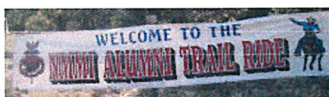

and make sure we have their updated contact information.

In 2011 Pearson Auditorium was given a major remodel. Pearson Auditorium serves as the performing arts center at NMMI. Pearson is used for a variety of Corps events such as drama presentations, concerts and special speakers. The community also uses Pearson for special events such as the Roswell Symphony Orchestra, dance recitals, speakers and presentations during the annual Roswell UFO Festival around the 4th of July of every year. Pearson Auditorium was renovated in 2012 and chosen by ENR Southwest as the winner of the "Best Renovation/Restoration for 2012."

Scott C. Henderson 1959 HS passed away at the age of 71 on 16 November 2011. He was a talented and successful solo folk singer-guitarist of the early 1960s. Unlike most folk musicians who were a part of the 1960s Greenwich Village music scene, Scott Henderson was born in South Bend, IN, and grew up in the Midwestern city of a Madison, WI, neighborhood. It was the music of Woody Guthrie, among many others, and the traditional songs of the railroad, depression era and the ordinary blue collar working man of the early 1960s that Scott loved to sing. Scott

graduated high school at the New Mexico Military Institute, attended the University of Colorado and graduated college at the University of Wisconsin. After the Folk Music revival of the early 1960s faded away, Scott ventured in other avenues and became a very successful Sales District Manager for two Fortune 500 companies in Illinois. Upon Scott's retirement, he took yet another adventure. He bought and became the Captain of a 37-foot HarborMaster Yacht, and named it "Balladeer". Together with his wife, Monica, they sailed down the rivers, from Illinois to Mobile, AL, where they settled and lived since 2005.

CAMPAIGN FOR THE CORPS

The Annual Fund
This fund supports incentive scholarships, cadet activities and the NMMI Alumni Association. Because of your generous donations, NMMI was able to offer 114 incentive scholarships this year! A big increase from the 71 awarded last year.

There is no better time for cadets at NMMI! Enrollment and retention are up as well as cadet academic performance as seen in rising GPAs and ACT scores.

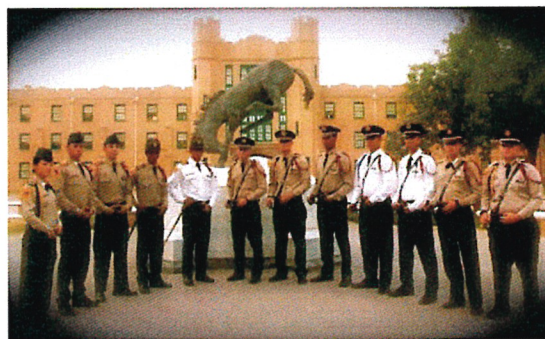

In addition 42 different cadet activities provide opportunities to expand

interests beyond academics and organized sports programs. The NMMI experience continues to prepare young men and women to succeed in the career of their choice with a well rounded and challenging education.

Gifts to the Annual Fund help shape the experience of today's cadets, allowing them to achieve their potential.

ENTREPRENEURIAL CHALLENGE EXTENDED

Richard R. "Dick" Varnell

1962 JC had challenged the class of 1962, and other classes at Homecoming 2012 to raise \$50,000. He agreed to match each dollar raised with the hope raising a total of \$100,000 for an entrepreneurial program at NMMI. The Class of 1962 stepped up to the plate with \$13,315 in donations that Mr. Varnell will match 2:1. Other class donors chipped in \$1,500 that he will match on a 1:1 basis; bringing the grand total to \$43,445. Since the target amount has not been met, Mr. Varnell has agreed to extend the challenge until he can match at least \$50,000.

Donations to this very worthy program are still being accepted.

Not sure where you would like to apply your donations? Scholarships? Cadet Activities? Cadets in Need? Planned giving? Commandant's Fund? Booster Club?
