# **NMMI Alumni Hall of Fame**

## **Deadline to submit nominations quickly approaching!**

The credo of New Mexico Military Institute is the guiding principle for the selection of inductees into the Alumni Hall of Fame. A strong commitment to duty, honor, and achievement must be exemplified by each selectee for induction. The Hall of Fame is divided into five categories: Eminence in a Chosen Field of Endeavor, Distinguished Service to NMMI, Flag Officers, Valor, and the George Ward Memorial. For specific criteria for each category, click on the links below. See instructions below. Deadline for 2019 Hall of Fame nominations is 5 August 2019. Please use this [form](#)

### **Eminence in a Chosen Field of Endeavor**

Alumni who have gained prominence, fame, or have distinguished themselves by notable accomplishments in their profession or other field of endeavor.

Achievements must transcend mere success in business. Ordinarily, prominence must be recognized on a national scale. Official recognition by a national organization of professional peers, having established standards and ethical requirements, is a strong consideration. A high recognition by a department or agency of the federal government is a strong consideration. This includes, but is not limited to, the Presidential Medal of Freedom, the Distinguished Intelligence Cross, or the Distinguished Intelligence Medal of the CIA, or their equivalent in other agencies.

### **Service to NMMI**

Dedicated and outstanding service and devotion to NMMI transcends a satisfactory performance of normal duties. A nominee's devotion and dedication must be significant not only by his or her high standards but also by their own personal example. He or she must have adhered closely to the officially recognized customs and traditions of NMMI. He or she must have shown a willingness to devote their own time or resources to further the aims and goals of NMMI.

Positions of high responsibility include not only positions of policy formulation and decision-making, but also includes positions in direct contact with cadets influencing their academic achievement, enhancing their military training, strengthening them physically, or developing their moral character. Service to NMMI over a number of years should be considered to be for at least a quarter of a century. A lesser time might be a consideration of the overall impact of their service was of great significance. To be avoided is the popular individual whose pleasing personality did little more than make him a "good 'ol boy."

### **Flag Officer**

Alumni who have achieved flag officer rank in any of the national uniformed military services. The Department of Defense Dictionary of Military and Associated Terms defines a Flag Officer as "A term applied to an officer holding the rank of general, lieutenant general, major general, or brigadier general in the U. S. Army, Air Force, or Marine Corps, or admiral, vice admiral, rear admiral, or commodore in the U. S. Navy or Coast Guard." The term does not include officers in state militias, defense forces or similar paramilitary forces. Achievement of flag officer rank is in itself tantamount to "eminence in a chosen field of endeavor." Selection for induction into the Hall of Fame should be withheld until the retirement or death of the subject to prevent induction before their advancement in rank is complete.

### **Valor**

Alumni who have been presented either the Medal of Honor or the Distinguished Service Cross, The Navy Cross of the Air Force Cross are eligible to be inducted. Civilians may also qualify by distinguishing themselves conspicuously by gallantry above and beyond the call of duty while engaged in combat against an enemy of the United States.

### **George Ward Memorial**

Alumni whose actions and deeds have fostered the goals and ideals of NMMI. Many alumni on an annual basis continually foster the goals and ideals of NMMI. This dedication and devotion to their alma mater is what is expected of all alumni. However, candidates for this award must have gone beyond that normally expected of a loyal alumnus. Nominees must be active Alumni Relations members. This award memorializes an individual who, may not necessarily have contributed large sums of money, but nonetheless manifested his devotion and dedication to the goals and ideals of NMMI in other forms of endeavor as well. It is a fitting memorial to select individuals who seek to emulate George Ward.

## **THE NMMI ALUMNI HALL OF FAME SELECTION POLICY FOR INDUCTION INTO**

### **POLICY**

Persons nominated and considered for induction into the NMMI Alumni Hall of Fame will exemplify the NMMI credo of duty, honor and achievement.

### **PROCEDURES**

Nominations will be received in the form of an official recommendation letter addressed to the NMMI Alumni Hall of Fame Committee, with a signature from you and another. Please use this [form](#)

1. Data supporting the recommendation will be attached to the letter of recommendation and be sufficient to substantiate the nominees' accomplishments and shall include endorsements from other.
2. Upon receipt of the package, the Alumni Relations Office will copy all pertinent information from the nominee's files and include with the original letter of recommendation. The deadline for receipt of the package is 4 August 2018.
3. The NMMI Hall of Fame Committee will receive all letters of recommendation with attachments, endorsements and alumni
4. Nominees will not be favorably considered for induction if they have ever been in violation of the NMMI Honor A violation is considered to be an offense for which they have been dismissed, suspended, or otherwise punished for a breach of the Code. If they have been allowed to withdraw from the school or resign their position at the school in lieu of dismissal, suspension or other punishment they are nevertheless not above reproach, and will also not be favorably considered for induction.
5. Nominees who have not been recommended by NMMI Alumni Relations Director because they are not fully qualified may be reconsidered the following year. No nominee will be reconsidered more than twice.
6. Nominees who have not been recommended to the NMMI Alumni Relation Director because of a history of an Honor Code violation, amoral conduct or unbecoming moral conduct which is not above reproach will not be Disapproval, in such cases, is to be with prejudice. Selected nominees will be notified either by the Alumni Relations Director or the alumnus who nominated them. The Alumni Office is responsible for supporting the Inductee's visit to the Institute and the scheduling for their induction.

# General's Cup

Friends and Supporters of NMMI, last year's General's Cup was a monumental success! My hopes are to continue the tradition in the years to come. In past tournaments we have created an Endowment of approximately \$366,145, and also provided \$152,592 directly to incentive scholarships and cadet activities.

The General's Cup provides scholarships for more cadets to fulfill their education at NMMI. This tournament will be fun-filled for all, but it does have a serious side -- all proceeds, less expenses, will go into the NMMI Annual Scholarship Fund to provide unrestricted scholarships to benefit cadets, old and new, who, without our help, would be unable to have their own NMMI Experience!

Why are these unrestricted scholarships so important? I'm hard pressed when I'm travelling or at some function and I meet that young person, that #1 Draft Choice, who wants to attend NMMI, and we want him or her to attend NMMI, and I've got nothing to offer but telling the young person to apply and we do have scholarships available. I need to be able to shock the system and tell that young person, "We want you, and here's a scholarship that shows we mean business!" In the Army we called that type of thing an "impact award" -- and it delivers an impact!"

We cannot plan and deliver an event of this stature ourselves, which is why we need you! If you are interested in being one of this year's sponsors, please contact Kris Ward, Director of Development & Major Gifts, 575-624-8158 or Randy Doerhoefer, Tournament Director and Head Professional, NMMI Golf Course, 575-624-8240, or fill out the Sponsor Registration Form. Remember, the Tournament is limited to the first 204 players!

We accept sponsors based on the order we receive your payment and commitment, so please do not delay -- you know they go fast! It's always a GREAT weekend of golf and fellowship for sponsors and players -- and the young men and women who benefit from your support.

I'll be looking for you on the first tee!

  
Jerry W. Grizzle  
Superintendent

# 2019 Homecoming

2019 Homecoming will honor all classes ending in “9”. Many will attend to see NMMI buddies from years before and after!

- **Bequest** — a provision in a will or estate plan that allocates all or part of the individual's estate to NMMI.
- **Charitable Remainder Trust** — an irrevocable trust that pays a specified annual amount to one or more people for a fixed period of years (often the life of the individual). At the end of the term of the trust, the remaining trust assets are distributed to NMMI. A charitable remainder annuity trust provides a fixed payment; a charitable remainder uni-trust pays out a fixed percentage of the trust value each year.
- **Charitable Lead Trust** — Similar to a charitable remainder trust, but the principal reverts to the donor or his or her designated heirs at the end of the trust term. If the principal reverts to the donor, he or she gets a charitable income tax deduction; if an heir, that person gets a charitable gift tax deduction.
- **Charitable Gift Annuity** — an irrevocable transfer of property (e.g. securities) in exchange for a contract to pay the donor an annuity for life. Because the value of the property exceeds the value of the annuity, it is partially a gift to the institution.
- **Life Insurance** — an arrangement in which a donor gives a life insurance policy to NMMI. The cash value of that gift is tax deductible, as are any future premiums the donor may opt to pay on that policy. Note that only life insurance policies that are paid in full qualify as planned gifts. (needs a not regarding proper way of doing this.)
- **Life Estate** — an arrangement in which a donor gives his/her home to NMMI while retaining the right to live there for the remainder of his/her life. The donor receives an immediate income tax deduction. NMMI may sell the property upon the donor's death.
- **Pooled Income Fund** — an arrangement, similar to a mutual fund, in which a donor contributes to a fund and receives a share of the proceeds based on the percentage of his contribution. Donors pay no capital gains on the transfer of appreciated property. When the donor dies, his shares transfer to NMMI.
- **Endowments** – A fund created by your bequest can carry your name or the name of a family member or other person you wish to honor. Named funds, because of the support they offer to programs and people, are a way to share what is meaningful to you within the institute family well into the future. *Note that minimum gift amounts required for creating named, endowed funds vary, so please contact the NMMI Foundation for further information.*
- **Unrestricted Gifts** - are among the most valuable to NMMI, because they allow the institute to allocate funds wherever the need is greatest, and to take advantage of unique opportunities as they arise. Your unrestricted contribution may be used to support costs associated with financial aid, educator development, cadet equipment, facilities, and much more.
- **Matching Gifts** - An easy way to double or even triple your donation to NMMI is to find out if your company has a matching-gift program. Such programs typically match all or a percentage of employee contributions to charitable organizations, making the employer a partner in employees' personal philanthropy. Simply obtain a matching-gift form from your employer's personnel office, fill it out, and provide it to NMMI with your contribution.
- **Non-Traditional** – Boats, cars, land, jewelry, paintings etc..
