# NMMI Alumni E-Newsletter

To My Alumni Family,

With a heavy heart, I bid farewell to all of you.  
My last official day will be December 31, 2022. Where has the time gone.

Before joining NMMI, I had often discussed with my wife, Lisa, if there were ever a time I could return, work for and give back what this wonderful school did for me, I would be honored.

Well, fast forward 8 ½ years, I hope I have successfully done what I intended to do. It was to get my fellow Alumni re-engaged with their Alma Mater. To be the eyes, ears, and voice for you. To continue to raise the bar and exceed your expectations!

Over this short time, I have been re-acquainted with old friends and gained new friends, all of which have become my "Alumni Family." You all hold a special place in my heart. During my wife Lisa's illness, you became her prayer warriors and supporters. I can never repay you for the support you gave to both of us during her battle with Cancer. Even as I write this, it brings a tear to my eyes.

To my wonderful staff, I cannot say enough about the support that you have given me. I wish you the very best. Thank you!

To MG Grizzle, his beautiful wife Shawn, the BOR, the Foundation Trustees, NMMI senior staff, staff, and faculty, I am honored to have worked for such an awesome Institution.

In January, I will start another chapter in my life, and many of you will be a part of it. I will always be there for you. Thank you again, for making my time here at NMMI, one of the most rewarding times in my career.

I will miss each and every one of you! This is not a goodbye, I will still be around.

With Best Personal Regards and Gratitude,

A handwritten signature in black ink that reads "Danny L. Armijo".
